BURN PERMIT

Date ____ / ____ / ____

Requestor's Name _____

Street Address _____

City, State Zip _____

Phone _____

In accordance with your request, permission is hereby granted to burn only trees, brush, or untreated wood from land clearing located at _____ Missouri. This permit expires _____ and is subject to the following conditions.

1. Burn only brush, tree limbs, tree trunks, and untreated wood scraps which are less than six (6) inches in diameter. Stumps may be of any diameter but shall be no longer than twenty (20) inches above the soil line. Burn brush or wood scraps in small amounts (4' x 4') piles to minimize smoke and ash emissions. No burning will be conducted on days with winds above 5 miles per hour.
2. Under no circumstances shall tires, plastics, coated electrical wires, roof shingles, household refuse, and miscellaneous solid wastes be burned. Burning of these items is prohibited by law.
3. All burning will take place at times between the hours of 10:00 a.m. and 4:00 p.m. and at least 50 feet from the nearest building or dwelling.
4. The New Melle Fire Protection District will be notified before burning is begun. The fire district is also authorized to terminate this permit should local ordinances be violated.
5. _____ will be responsible for preventing any smoldering fires after the burning hours defined in item #3 above.
6. The permission to burn in no way relieves _____ of his/her obligation to comply with County, State, and Federal rules or regulations.
7. Should the stipulations of this permit be violated or if a complaint or nuisance situation be created by this open burning, the New Melle Fire Protection District or the Department of Natural Resources may revoke this permit according to 10 CSR 10-5.070 and/or 10 CSR 3.030.
8. In case of an emergency call 911
